This matter came before the State Ethics Commission by virtue of a complaint filed by the Commission, on January 21, 2011. On March 16, 2011 the State Ethics Commission reviewed the above-captioned complaint charging Respondent, Andreas J. Corley, with a violation of Section 8-13-1110 and probable cause was found to warrant an evidentiary hearing.

The Commission received correspondence from Denmark Technical College that Respondent, Andreas J. Corley, was not the college's chief financial officer. He was told by the college's chief financial officer to file, which was incorrect advice.
